

Scholarships & Aid

GRANTS AND SCHOLARSHIPS

Gustolab International Food Systems and Sustainability offers a merit-based scholarship. We will also work with your home institutions to facilitate the use of grants or scholarships from your university on our programs. If you receive financial aid, you may be able to defer payment until your institution disburses financial aid to you. Deferment will depend, in part, on the amount of aid to be received. Please contact us if we can be helpful in this area.

Additional grants and scholarships

Numerous organizations provide scholarships for study abroad as well as studies or research in food systems and sustainability.

Some examples are:

- U.S.-Japan Council's Watanabe Study Abroad Scholarship
- Global Goals Scholarship Program 2018
- GoAbroad's #StudyAbroadGoals campaign
- Diversity Abroad
- Fund for Education Abroad
