

## AFHVS/ASFS Conference 2018

The University of Wisconsin–Madison’s Center for Integrated Agricultural Systems (CIAS) hosted the Joint Annual Meeting of the Agriculture, Food, and Human Values Society (AFHVS) and the Association for the Study of Food and Society (ASFS).

The conference theme was entitled: The Agroecological Prospect: The Politics of Integrating Values, Food, and Farming,

We were happy to present at the following two roundtables:

### June 14

Roundtable

Sonia Massari, Fabio Parasecoli and Charlotte Biltekoff

Design and Food Studies: Teaching, Thinking, Doing

### June 16

Sonia Massari

Studying, Teaching and Doing Research on Food Studies Abroad: A Roundtable
