

Benefits

Scholarships

Do you want to participate in another one of our programs? You will receive a scholarship from GLi! We aim to encourage further study and reflection on food systems and sustainability as we believe in the widespread importance of these topics.

Career Resources

Contact us directly if you would like to have career advice or need help connecting to our network. Below is a small selection of the general resources for your job search.

Food Tech	
Connect	UN JOBS - Food Security
