

Our Initiatives

SDGs FOR ALL STUDENTS

SDGs for All Students is an initiative launched by Gustolab International in May 2018 to foster dialogue among students, academics, educators, and researchers on the importance of learning about, and acting towards sustainability. Learn about the activities and events we organized to raise awareness among students and professors about issues related to Sustainability and the potential of the SDGs.

FOOD, SUSTAINABILITY AND MIGRATIONS

We are involved with the local community to fight present day challenges and participate in many events to promote realities that work towards creating a more inclusive and fair world.
