

UN Youth of Helsinki visit to GLi

A group from the UN Youth of Helsinki will visit Gustolab International during their study trip to Rome. The purpose of the trip is to visit organizations that are specialized in questions related to food production and environmental sustainability.

The UN Youth of Helsinki is a non-governmental organization founded in 1963, that aims to actively promote the values of the United Nations. Their activities in the year 2017 are focused around four SDGs from Agenda 2030, including SDG n.13 - "Climate action".
