

Quick Facts

GLi mainly operates in Italy throughout the academic year (spring, summer, fall terms). We also have summer-only terms in Vietnam & Japan.

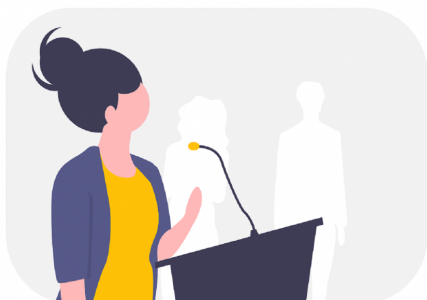

Our students can collaborate with local students from universities in the territories that we operate in

GLi has worked with academic institutions from five geographic areas: the US, Canada, Europe, Asia,

& the Middle East.

We do direct enroll & customized courses & academic internships as well as customized short tours and programs.

One of the 1st

centers in Italy dedicated to food studies programs abroad. **Our vision**>
