

Our facilities

We are located in the historical center of Rome only minutes from the Vatican, the Pantheon, and the Colosseum. We are in our eleventh year and have hosted over a thousand students and about thirty visiting faculty. Our courses are typically designed by our Academic Director, a specialist in curriculum design, working with local faculty in Rome (90% with PhD). We are very much of a

networking institution.

We have small to medium size classroom space available for your short or long term study abroad program in Rome. Classrooms are multimedia ready. We also have media editing facilities. Rental costs are based on classroom size and number, rental duration and time of year. Please **Contact Us** for further information about how we can help you meet your classroom space needs in Rome.
